Subject: Free 18-Month Google AI Pro Access for Your Students (Worth ₹35,100)

Dear Sir/Madam,

Reliance Jio and Google are offering your students **free 18-month access to Google Gemini 3 AI**, valued at ₹35,100 per student.

What's included:

- Gemini 3 – Google's latest and most capable AI model
- Google One Premium (2 TB) – for Photos, Drive, and Gmail
- Enhanced NotebookLM & Deep Research – advanced study & research tools
- AI-powered Video & Image Tools – Veo, Nano Banana, Flow, and Whisk
- Gemini in Gmail, Docs & more – AI assistance for productivity and creativity

How students benefit: Your students can use these tools to summarize research papers, build coding portfolios, create professional prototypes, analyse business trends, and securely store all academic work.

How students can get this offer: Early access is available for 18–25-year-old users on Jio unlimited 5G plans. Activation is through the MyJio app to Existing Customer and New Jio Sim connection.

How to Communicate: Simply circulate the attached poster to your student community - it includes all the details.

How to Provide Jio Connection: Need your permission to do activity in your Campus by Jio Representative and offering your students **free 18-month access to Google Gemini 3 AI**, valued at ₹35,100 per student.

Thank you for helping us bring this opportunity to your students.

Shash

Warm regards,

Team Jio
