

FIELD STUDY TOUR OF BOTANY DEPARTMENT

Aim

1. To observe and collect the plant species of families prescribed in syllabus from the study site.
2. To study the natural habitats and characters of the plants found in the area.
3. To collect plant species for herbarium preparation submission for examination.

TOUR DIARY

On 5th May 2022 , students met each other at 9:30 A.M in the K.S.college Darbhanga campus. From there we hired a transport and reached Shisho Panchyat about 10 Km away from College after 1 hour i.e. around 10:30.

After observing the plants and staying there for 3 hours we returned back by 4:00 P.M.

Students who participated:

1. Sadhna Kumari *Sadhna Kumari*
2. Jyoti Kumari *Jyoti Kumari*
3. Ankit Mukhiya *Ankit Mukhiya*
4. Abhash Krishna *Abhash Krishna*
5. Adarsh Raj *Adarsh Raj*
6. Aman Kumar *Aman Kumar*
7. Sakshi Rani *Sakshi Rani*
8. Rinku Kumari *Rinku Kumari*
9. Jyoti Shivani *Jyoti Shivani*
