

KUNWAR SINGH COLLEGE, LAHERIASARA

(A Constituent Unit of L. N. Mithila University, Darbhanga)

DEPARTMENTAL SEMINAR

Date:-12.08.2017

Activity Report

A departmental seminar was organised on 12.08.2017 at department of mathematics, K.S. College, Laheriasarai. The Topic of the seminar was “History of Mathematics and recent Development”. The resource person was Prof. (Dr.) Y.N. Mishra, HoD, P.G. Department of Mathematics, LN Mithila University, Darbhanga.

Beginning in the 6th century B.C. with the Pythagoreans, a Greek Mathematician began a systematic study of mathematics as a subject in its own right. Around 300 BC, Euclid introduced the axiomatic method still used in mathematics today, consisting of definition, axiom, theorem and proof. Archimedes is known as the father of mathematics. There are many reasons to study the History of Mathematics as it helps students develop a deeper understanding of the Mathematics, they have already studied by seeing how it was developed over time and in various places. The solutions of quintic equations in the recent development in mathematics. Pythagoreans theorem gave a systematic practical mathematics for the construction of huge Buildings and Dams for the development of human-civilization.

In this seminar 81 students are participated. And many teachers of the different faculties of the college were present. In the end Dr. Khalid Sajjad, H.O.D. Urdu gave vote of thanks.
